There will be various information sessions such as, education, information, and they will have some handout materials. The agency activities will be discussed that affect Retirees who utilize EAMC. Ms. Boyce, RSO, said the list included foot screens, chair aerobics, seminars on diabetics, memory loss, confusion, alertness, combating physical security, TRICARE for Life, etc. Ms. Haskell said the biggest push is on education and they are also thinking of doing a round robin at possibly 0930, 1030, and 1330. Mrs. Nancy Moore suggested feedback evaluation of each session, using a smiley face, sad face, a straight face, and a comment section. She also suggested collecting these at the end of each session instead of waiting to the end of the program.

8. Mr. Tom Green, Director, Morale, Welfare, and Recreation (MWR), stated they will have coupons and information about their operation to be placed in individual gift bags for the RAD.

9. COL (Ret) Greenwood stated that Public Affairs Office (PAO) was not present but it would be good time to get advertising problems covered as quickly as possible. Ms. Boyce was asked to write a short article about the RAD for submission to target the approximately 20,000 retirees in the Fort Gordon area. Ms. Moore mentioned that we need to contact the Augusta Chronicle. SGM (Ret) Downs suggested getting information to all of the local television and radio stations on key days prior to RAD. CSM (Ret) Hussy mentioned publicity for RAD could be in the public service announcements on television, radio, and newspapers. COL (Ret) Greenwood stated all information pertaining to our RAD, TRICARE for Life, and TRICARE for those less than 65 years-of-age, and all other healthcare should be followed through the PAO. COL (Ret) Greenwood opened the floor for comments from the installation representatives. SFC (Ret) Jack Baker asked if we were going to have flyers at the Commissary, PX, and PXtra publicizing the RAD. Mr. Joe Governaski said he could place flyers in bags at the commissary and this would assist in getting the word out sooner. Mr. Kent Burlington, AAFES, added placing flyers at the Sportsman Club would help reach those retirees that enjoy those activities. CSM (Ret) Hussy said the many holidays coming up such as Memorial Day, Fourth of July and Labor Day, are a good opportunity to coordinate with our flyers and announcements through PAO. SGM (Ret) Downs asked if we could go to all the counties in the Central Savannah River Area (CSRA) without permission from the PAO. He said he would try and check with Mr. Whitehead about this particular subject. COL (Ret) Greenwood excused installation representatives and called the Council to a short break.

BREAK

10. COL (Ret) Greenwood and SGM (Ret) Downs called the meeting back to order. COL (Ret) Greenwood remarked on the By-Laws of the Fort Gordon Retiree Council. There are documents that do not agree with each other, mainly the By-laws and constitution that should be corrected soon; however tabled further discussion until after the RAD. The RSO provided copies of the Annual Report of the Chief of Staff of the Army, Retiree Council meeting of 17-22 April 2005, and a copy of the Memorandum of Instruction for the Fort Gordon Retiree Appreciation Day of 2003.

SGM (Ret) Downs said if provided a list of potential donors, he would have copies of letters sent out. Ms. Boyce stated she made arrangements with the Signal Officer Basic Class to help with the clean up and other areas of work for RAD. The Gordon Club has been reserved. Arrangements are being made to have a fly-over sometime during the noon hour on RAD. COL (Ret) Greenwood stated all members should sign up for the registration committee so times can be rotated to allow mingling with the participants. CPT (Ret) Barnard said that at the last RAD, it was successful to rotate every 45 minutes to 1 hour. SGM (Ret) Downs stated that at the last RAD, some of the organizations who might have donated items did not respond and it was a rush to contact them and suggested the need for follow up this year because businesses need to be reminded. About 500 gift bags are needed for items vendors may donate at the RAD registration. COL (Ret) Greenwood said that Association of the United States Army had been sent a letter requesting \$500 support. CPT (Ret) Barnard said he would ask Military Officers Association of America at their next meeting for a donation.

11. COL (Ret) Greenwood asked COL (Ret) Thom Tuckey for an update on Base Realignment and Closure (BRAC). COL (Ret) Tuckey said not much has changed since the last council meeting on 28 February 2005, but that the BRAC list should be out on Friday, 13 May 05. 18. SFC (Ret) Alfred Zamora said Jim Nicholson, Secretary of Veteran's Affairs, would be in Augusta the middle of July or first week of August visiting both hospital locations.

19. SFC (Ret) Alfred Zamora remarked that the handicapped parking at Darling Hall, EAMC, and other facilities on post are being occupied by employees. COL (Ret) Greenwood also said the leaving of shopping carts in the parking lots of the Commissary, PX, and PXtra was causing safety problems.
